DISTRICT OF ARIZONA

IN RE: Bard IVC Filters Products
Liability Litigation,

No. 2:15-MD-02641-DGC

**UNOPPOSED AMENDMENT TO
THE PARTIES' UPDATED
REPORT CONCERNING THE
STATUS OF PROFILE FORMS
AND SERVICE OF PROCESS FOR
SELECT CASES**

In an order dated March 4, 2020, (Doc. 21461), the Court ordered (1) that cases that have yet to be served on the Defendants be served on or before March 18, 2020; and (2) that Plaintiffs who had provided no Plaintiffs' Profile Form ("PPF") or a deficient PPF submit a complete PPF on or before March 18th also. In turn, the Court instructed the parties to file an updated report advising whether the service and/or PPF deficiencies had been corrected in each case.

The Parties' Updated Report Concerning the Status of Profile Forms and Service of Process for Select Cases [D.E. 21499] and Exhibit A thereto, Plaintiffs Whose Deficiencies Have Been Cured [D.E. 21499-1], filed April 13, 2020, reflected that Defendants had not been served in the following case:

Melissa Jeanne Kacou Permanent Legal Guardian on behalf of James Wesley Jordan, IV, v. C.R. Bard, Inc., and Bard Peripheral Vascular, Inc., United States District Court, District of Arizona, Phoenix Division

No. CV-19-04110- PHX-DGC

Due to an inadvertent omission, service in the above case was not completed until April 14, 2020. **The Plaintiff has since corrected the deficiency in service, and the case is ripe for remand and transfer.** Counsel for the Plaintiff has contacted Defendants' counsel with respect to this Amendment, and has been advised that Defendants acknowledge that service on the case identified herein has been

1 accomplished and that Defendants do not object this amendment to the status report and
2 Exhibit A thereto.
